BASMATI & NON-BASMATI RICE

ABOUT US

At RT Agro Impex, we believe in providing only the best. With over three decades of experience in rice manufacturing and export, we have mastered the art of producing the finest quality Basmati and Non-Basmati rice. Our state-of-the-art production processes, coupled with strict quality control measures, ensure that every grain of rice we deliver is of the highest quality.

Our Vision:

To be a global leader in rice exports, recognized for our quality, reliability, and commitment to customer satisfaction.

Our Mission:

To provide our international clients with premium-quality rice products, tailored packaging solutions, and timely delivery, while maintaining competitive pricing.

OUR USP

- QUALITY ASSURANCE
- WIDE VARIETY
- COMMITMENT TO FOOD SAFETY
- STATE-OF-THE-ART MANUFACTURING FACILITIES

Basmati Rice

Renowned for its long grains, delicate aroma, and exceptional taste, Basmati rice is a favorite among discerning buyers. Our Basmati rice varieties include:

- 1121 Basmati Rice
- Pusa Basmati Rice
- Traditional Basmati Rice
- Sharbati Basmati Rice
- Sugandha Basmati Rice
- Sella Basmati Rice
- Steam Basmati Rice

Non-Basmati Rice

Our Non-Basmati rice varieties are equally popular for their rich texture and versatile applications in global cuisines. We offer:

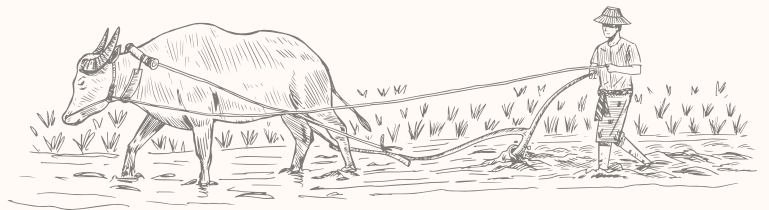

- IR-64
- Swarna
- PR-11 Non
- Sona Masoori
- Parboiled Rice
- Steam Non-Basmati

ROOTED IN TRADITION, GROWN WITH CARE, SERVED WITH LOVE.
